EDUCATION

Master of Arts in Public Policy (M.A.)
University of Chicago *2026-2027*

Master of Arts in Public Policy and Administration (M.A.)
University of San Andrés *2021-2023*

- **GPA:** 9.04/10 — Ranked 1st of 30 students.
- **Thesis:** Awarded second-highest grade.
- **Relevant coursework:** Public sector economics. Political economy of development. Research Designs. Information analysis techniques. Evaluation of projects and programs.
- **TOEFL:** 112/120.

Bachelor of Arts in Political Science (B.A.)
University of Buenos Aires *2015-2019*

- **GPA:** 9/10 (program average: 7.5/10).
- **Relevant coursework:** Comparative political systems. Contemporary political theory. Political and Social Theory I and II. Elections and political parties.

RESEARCH

Research Assistant
University of Chicago Sep 2026 - Present
Professor: Susan Stokes

- Collaborate with Professor Susan Stokes on replicating and extending empirical analyses, reproducing OLS and logistic regression models and predicted vote-share estimates, and conducting robustness checks. Developed a reproducible Quarto project to organize empirical analyses and research outputs.

Pre-Doctoral Research Fellow
Princeton University Jan 2025 - Dec 2025
Professor: Matías Iaryczower.

- Collaborated on two projects:
  - Supply and demand in politics: The case of Finland – Co-authored with Sergio Montero and Juha Tolvanen; applied IRT models and VAA to measure ideological positions of legislative candidates.
  - Informal labor market in Argentina – Analyzed individual decision-making in transitions between jobs using probabilistic choice models.
- Contributed to data collection, quantitative analysis, and literature review.

Program Coordinator

University of San Martín Jan 2023 - Oct 2023

- Managed two online programs, each consisting of four courses with 25 participants: State 4.0 and the Impact of Digital Technologies in the Public Sector and Digital Transformation in the Public Sector.
- Oversaw curriculum delivery, coordinated instructors, and ensured high-quality participant engagement.

Senior Research Specialist

University of San Martín Jul 2022 - Feb 2023

- Conducted research consultancy on State 4.0, disruptive technologies, and the role of training programs in building public agents' capacities.
- Designed and implemented data collection, analysis, and reporting for applied research projects.

General Coordinator

University of San Martín Oct 2021 - Jun 2022

- Coordinated a research project involving subnational-level data collection on policy documents, role specialization, and public agent profiles.
- Supervised data collection teams, ensured methodological rigor, and contributed to project analysis and reporting.

PAPERS

- **'À la prochaine fois': Party Realignment in the Aftermath of the 1980 Quebec Referendum** – Submitted, 2025.
- **Behind the AfD's 2025 Result: A Brief Empirical Note** – Research Note, 2026.
- **State 4.0 and New Disruptive Technologies: Opportunities and Challenges**. *Revista Estado Abierto*, vol. 8, no. 1, INAP, 2024. Forthcoming.
- **Electoral Accountability in Crisis: A Synthetic Control Analysis of the 2013 La Plata Floods** – Working paper, in progress.
- **The Political Consequences of Narrow Municipal Victories in Brazil: Evidence from a Regression Discontinuity Design** – Working paper, in progress.

HONORS & AWARDS

- Master's thesis awarded *Distinguished* (second-highest academic distinction), University of San Andrés, 2025.
- **Ranked 1st out of 30** students in my master's cohort.
- Selected as one of eleven research fellows in Latin America for a highly competitive research fellowship affiliated with Princeton University, Yale University, Johns Hopkins University, and Georgetown University.

SKILLS

Computer: R, SPSS/STATA, Python, Power BI, Tableau.

Languages: Spanish (native), English (bilingual), Italian (professional), French (beginner), Chinese (beginner).

Methods: Experimental & Quasi-Experimental Methods: RCT, RD, Diff-in-Diff, Synthetic Control, Field Experiments.

PROFESSIONAL EXPERIENCE

Argentina National Government - National Council for Social Policy Coordination

- **Director of Monitoring and Evaluation** Sep 2025 - Aug 2026
  - Lead a 10-person team overseeing monitoring and evaluation across 10+ national government agencies and 100+ social programs, delivering standardized frameworks to strengthen policy implementation and performance tracking.

Buenos Aires City Government

- **Data Project Manager** Mar 2024 - Ago 2025
  - Managed end-to-end data projects for 15+ public services reaching 6M+ people, developing 10+ Power BI dashboards and 25+ KPIs that integrated 40+ data sources** into actionable performance insights for 10+ decision-makers, while reducing reporting time by 72%.

- **Coordinator** Oct 2023 - Feb 2024
  - Led a 5-person monitoring and evaluation team overseeing 20+ government services and programs, establishing KPIs and performance targets for strategic public policies and developing dashboards to support high-level performance monitoring and evidence-based decision-making.

- **Monitoring Project Manager** Apr 2023 - Sep 2023
  - Led a cross-government monitoring project covering 4+ government systems, assessing operational performance, identify implementation gaps, and establish standardized monitoring criteria to ensure compliance with government operating standards.

- **Monitoring Analyst** Apr 2022 - Mar 2023
  - Monitored the implementation and performance of 10+ public policies and government programs, analyzing administrative and operational data to identify implementation gaps.

Management & Fit

- **Research Assistant** Jun 2021 - Mar 2022
  - Managed 7+ public opinion studies, coordinating survey design and fieldwork, supervising 5+ focus groups, and processing and analyzing 10+ survey responses using R and SPSS. Developed Tableau visualizations and analytical outputs used to assess public perceptions.

Special Projects Unit, Youth Olympic Games

- **Sports Venue Coordinator** Mar 2018 - Jun 2018
  - Coordinated operational planning for 5 sports venues for the Buenos Aires 2018 Youth Olympic Games, developing 15+ operational manuals, policies, and procedures in collaboration with the IOC, Argentine Olympic Committee, and 7+ government agencies to standardize venue operations and event delivery.

- **Analyst** Jul 2017 - Feb 2018
    - Supported planning and operational readiness across 5 Olympic venues, coordinating logistics with 15+ internal and external stakeholders and contributing to the development of operational documentation, venue plans, and procedures for the Buenos Aires 2018 Youth Olympic Games.

Open Knowledge Foundation

- **PolicyAnalyst** Feb 2017 - Jun 2017
    - Analyzed 10+ open-government initiatives across Argentina, reviewing government policies and implementation practices to assess progress in transparency, public access to information, and citizen engagement.

CERTIFICATIONS

Intensive Seminar in Field Experiment designs

Catholic University of Uruguay *Jul 2025*

Professor: Natalia Garbiras-Díaz (Harvard Business School)

- Design and implementation of field experiments; randomization methodologies; RCT; causal inference; hypothesis testing.

Postgraduate Degree in Data Science applied to Public Policy

University Torcuato Di Tella *Apr 2021 - Jul 2021*

- Machine learning. Data visualization. Text mining. Spatial and temporal data. Web Scraping.

Postgraduate Degree in Open Government and Public Management

University of San Martín *Apr 2021 - Oct 2021*

- Innovation in public management. Digital technologies and their use in the public sector. Open government: transparency, accountability and citizen participation.
